Principal's Message

The beautiful irises blooming in the school garden remind me of how wonderful this time of year is! At the same time the fact that we are down to the last four weeks of school is so hard to believe! I think each school year goes by faster and faster!

Teachers are busy preparing report cards for the students and these will go home at the end of the month. As well, we are creating class lists. Once again this year, we will not be announcing these lists as we often need to make changes right up until the doors open in September as new registrations take place and students move. It would be very helpful to let us know in June if your child will not be returning to APS in the fall.

It was exciting to learn that Mr. Thompson will be moving from Vice-Principal at Central Senior to Principal at Alexandra! He will be visiting us over the next few weeks to learn more about this fabulous school and to begin planning for next year!

Pane Vino Night

Thank you so much to Louis Karkabasis for opening the doors of his restaurant to support Alexandra once again this year! He is donating 25% of all the food served on June 14th to APS!!! This is a great time to have a wonderful dinner at an amazing restaurant and also support APS!

Skipping Success!

Alexandra's skipping team showed amazing team spirit and sportsmanship at the Skipping competition at I.E Weldon. Our skippers did very well and our Primary Team placed third overall. Thank you to our coaches Mrs. MacLean, Ms. McConnell and Mrs. Coumbs for their dedication to the team.
