On December 18th we are hosting our Holiday Luncheon: a free turkey dinner for every member of our school community to enjoy together.

We are in need of parent volunteers to help support our day with preparing, serving and organizing the meal.

We are also looking for donations of potatoes, frozen corn, canned cranberries, stuffing mix, gravy mix.

If you can support this special project of the Leadership Team in any way, please contact Mrs. Janke at the school at 705-738-5105.

Thank you!

Volunteers Needed

Annual Shopping Spree

The Grade 7 and 8 students in Ms. Kimble's classroom are now accepting donations of gently used items for the annual Shopping Spree.

Gift Wrap is also welcome.

Please send/bring donations to the BPS now through to the 9th of Dec.

Flu Season: The Health Unit Hosts Flu Shot Clinics

Don't be caught without a flu shot. It's free and easy to get!

That is the message that the Haliburton, Kawartha, Pine Ridge District Health Unit is sharing this fall. With influenza season on the horizon, the best way for families to protect themselves is to get an annual flu shot. Flu vaccine is safe and effective, and helps to reduce the risk of getting sick from influenza. In Ontario, flu shots are publicly-funded and available for everyone six months of age and older.

While flu shot clinics will not be provided in local schools this year, there are many other places to get immunized:

Ask your local health care provider about getting a flu shot

Visit your local pharmacy to be immunized. Dozens of pharmacies in the area are providing flu shots for anyone over the age of five years.

The Health Unit is offering community flu shot clinics in Northumberland County, Haliburton County and the City of Kawartha Lakes. These clinics are ideal for families with young children, as the clinics are open to everyone over the age of six months.

For a flu shot clinic near you, or for more information, call your local Health Unit office or visit www.hkpr.on.ca.

Helpful Reminders Regarding Our Winter Season:

Even on very cold days we try to get outside for fresh air even for a brief time. It is important for students to come prepared each day for the winter weather.

It is always helpful to have extra mittens and warm socks packed for chilly days.

In the case of bus cancellation, notice will be given on the www.tdsb.on.ca or www.mybustoschool.ca websites and CKLY BOB FM Radio Station. If buses are cancelled in the morning they DO NOT RUN in the afternoon.

Please note morning and afternoon programs are CANCELLED on SNOW DAYS.

Hot Lunch Program will be cancelled on SNOW DAYS

Happiness is not something ready made. It comes from your own actions.

Dalai Lama

We love that families are choosing to use the Valet Service in the morning and we want to keep it a safe service for everyone. **PLEASE DO NOT PASS CARS** that are dropping off students. This is an unsafe practice that has resulted in a couple of near misses this Fall. The safety of all of our students is very important to us and we appreciate your patience and support in the mornings.

If you are choosing to walk your children to their class, you need to park in the upper parking lot or along the street where parking is allowed. Please do not park in the laneway. It is important to use the sidewalks and cross walks and not to be walking between the busses.

Bobcaygeon PS Store
