

# F.T.P.S. Dress Code

Our school is a public institution and we encourage students to dress within the expectations of our community standards. Learning the fundamentals of proper dress at an early age will provide the student with a valuable life-style habit. Dressing appropriately for a variety of situations shows that a student has a high degree of self respect and respect for others.

The school dress code assists in the creation of a positive learning environment.

Inappropriate dress distracts and diverts us from our primary purpose – LEARNING!

Administration will make final decisions regarding appropriate dress.

Students that need to change clothing may:

- i) change if they have extra clothing at school;
- ii) wear a school uniform (provided) over the clothing; or,
- iii) call home to have a change of clothing brought to the school.
