Principal's Message

Happy New Year! With the beginning of a new calendar year, it is always timely to reflect on past successes and set new goals. I know these discussions happen regularly throughout the school year as we help our students towards independent learning, but ever so more purposefully as we set direction for the new year. We invite you to continue those discussions at home to support your child's ownership in their learning. As a staff, we are also engaging in reflective practices as we set goals to improve our own teaching and learning. I would invite you to ask us about our discoveries as we continually seek to implement the most current research-affirmed teaching practices throughout the remainder of the school year.

On a personal note, I will be undergoing minor knee surgery on January 8th, and will be away from school for a short period of time. In my absence, Mr. Larry Corry, a retired TLDSB principal, will be assuming my role. I know that we will be in good hands while I am recovering.

Kindergarten Registration

Kindergarten Registration for September 2016 is taking place in January for children born in 2012. Please bring proof of age, immunization information, and emergency contact information.

Visitor's Badges

If you are at the school to pick up or drop off your child, please wait for them in the hallway outside the office. If you need to go down the hall to visit a classroom or volunteer, please pick up a visitor's badge at the office. This way, staff who may not know you are assured that you've checked in through the office. Thank you.

Thank You

Thank you to everyone who contributed to our food collection for the West Muskoka Food Drive. Our community never fails to impress us with their generosity.
