Principal's Message

May is shaping up to be a busy month at Glen Orchard Public School. Ms. Lee is accompanying our band to a Mass Band day of learning on May 9th. Our students will rehearse and perform with several other schools in our area. This will be an exciting day of learning for all.

Our school, under the organizational skills of Mrs. Mortimer, will be participating in a Jump Rope for Heart fundraiser on May 13th, with all funds collected being donated to the Heart and Stroke Foundation.

Our Kindergarten folks will be welcoming our new Junior Kindergarten students to our school on May 17th, with a reception at 3:30 in the kindergarten room.

The grade 7/8 students will be heading off to Alberta on a very exciting and culturally significant learning opportunity, leaving on May 26th and returning on June 1st. Their exchange partners will come to our community on June 8th and will be here until the 14th. We wish our students and staff a wonderfully rewarding adventure.

Finally, our students in grades 3 and 6 will be writing EQAO assessments during the weeks of May 25 to June 8. We wish them all the best as they have the opportunity to showcase their learning.

Fun Night and Outdoor Classroom

The School Council is hosting a Fun Night on June 16th. This event takes place at our school every second year. It is an opportunity for all to come out and have some fun as a family, while raising funds for our school. In the most recent past, funds raised by School Council have purchased our stage curtains and our sound system, which we have all enjoyed over the course of the past few years.

This year, the funds have been allocated to contributing to an outdoor classroom. We are most fortunate at Glen Orchard to have such a beautiful playground. The staff hope to make greater use of this area by creating formal spaces where learning can be maximized. We will invite you to view our vision on this evening, with a display of the areas that we hope to grow over the next few years.

We also would invite those interested in volunteering time or resources to help us realize this vision to share that intention with School Council or staff.

We hope all of our families will be able to come and join us on this evening of fun and shared community.

Criminal Reference Checks

If you don't have a criminal reference check and you may want to accompany your child on a year-end field trip, now is the time to apply. There is no charge for volunteers requesting the check. Please enquire at the school office about getting the letter from us that must accompany your application.

Did You Know we have a Facebook page? Check us out on Facebook to see what's happening here at GLO and find out about upcoming events.
