Principal's Message

One of the areas of the curriculum that is a big focus for us here at Lady Eaton is **READING**. Of all the family activities that caregivers can do with their children reading is truly one of the most beneficial. Your child can read to you or you can read to them. Keep in mind that literacy can come from all written forms – books, magazines, manuals, recipes, online, etc... We all have busy lives and reading can't always occur before children go to bed. I know in my family we spend a lot of time in the car. We read road signs, maps, practice sight words, read books, etc... Anytime is a great time to practice reading.

Front Door Security System

Our front door security system is now working. This change will mean that the exterior doors of the school will be locked and all visitors wanting to enter the building during school hours must buzz the front office, identify themselves and then office staff will buzz them in. **THE DOORS WILL BE UNLOCKED AT THE BEGINNING AND END OF THE SCHOOL DAY TO ALLOW STUDENTS AND PARENTS TO DROP OFF AND PICK UP CHILDREN.**

Lost and Found

We have a number of unclaimed items in our lost and found. If no one claims them they will be donated to a local charity.

Food Drive

Our food drive was a great success! Thank you to all our families that contributed non-perishable items to help others in our community. Everyone was so generous!!

Spirit Day

We are going to have a **Read In** on **Thursday, January 29th from 12:30-1:00**. Everyone is invited to wear their pajamas to school. Bring a book to school and during this time the entire school will read. Parents are welcome to join.

School Bus Cancellations and Late Busses

The weather is changing and I just want to remind parents to listen to the radio in the event of bus cancellations. Listen to **Bob FM 91.9, Country 105.1 FM** or go online at www.tlidsb.on.ca. If you want to receive late, delayed and cancelled school bus information register online at mybustoschool.ca.

Dressing for the Weather

The cold weather is here!! Even if it looks or feels warm at home, please remember that the Lady Eaton school yard is very open and cold when there is any wind. **Snow pants are a must every day!** Also, please label all your child's clothing. It makes it much easier to get items back to their rightful owner when they are lost.

Lady Eaton Postal System

Dear Parents: There is a large red mailbox in the foyer if you are interested in sending a letter to your child. Mail is sorted and delivered every couple of weeks, and extra times at holidays such as Christmas and Valentine's Day. Sorters follow guidelines when they are sorting the mail. Here is a sample envelope they use. The hallways are named as streets. Below is a list of the street names for the homeroom teachers along with their room number.
