Principal's Message

I would like to welcome Ms. Kristen Mastinsek to Lady Eaton. Ms. Mastinsek will be our new Grade 3 teacher replacing Mrs. Ryan. She will begin the second week of October.

What an amazing school this is!! Our students are focusing on staying on **TRACK**.

TRACK
Truth
Respect
Appreciation
Community
Kindness

During the course of year, we will focus on these traits. We are using the analogy of driving a car. When we drive a car we want to stay on the road and be safe. We also want to keep our engine running at a safe speed. Not too slow (sleepy) and not too fast (inattentive).

New Security System

This summer, Trillium Lakelands District School Board has installed security systems in many of the schools across the district including Lady Eaton. This change will mean that the exterior doors of the school will be locked and all visitors wanting to enter the building during school hours must buzz the front office, identify themselves and then office staff will buzz them in. We are still waiting for a part before this is up and functional. A separate letter will go home when the security system is working.

Magazine Campaign

Our magazine campaign is up and running. All money raised from this campaign goes directly to activities and products that directly benefit the children. **The last day is Tuesday, October 13th.**
