Principal's Message

I want to encourage all caregivers to reach out and call the school if you have any questions or concerns. Always start with your child's classroom teacher. If it is a bigger concern, we can all collaborate together to find a solution.

School Bus Cancellations and Late Busses

The weather is changing and I just want to remind parents to listen to the radio in the event of bus cancellations. Listen to **BOB FM 91.7, Country 105.1 FM** or go online at www.tlidsb.on.ca. If you want to receive late, delayed and cancelled school bus information register online at mybustoschool.ca.

Movie Night

On the night of **Friday, November 6th**, Lady Eaton will be hosting a Family Movie Night. The cost of tickets will be **\$2.00 each** or you can purchase a family pass for \$10.00. Tickets will be sold at the door. Snacks will also be for sale.

Doors will open at **7:00 p.m.** The film being played will be [Inside Out](#). Bring your family! Wear your pajamas! It should be fun!!!

Arriving on Time

The morning arrival time is important for children to have the opportunity to greet their friends and teachers. When students arrive after the bell it disrupts the morning routine of all students. Staff are busy supervising the needs of many and do not have time to safely have conversations with adults. When students arrive and enter the building on time with their peers, it is easier for children to follow the routines of the class and become more independent when undressing, unpacking and getting ready to learn.

Visitors in the Building

Any visiting adult in the building is required to sign in at the office and wear a visitor's nametag.

We are asking our families that they do not go to the classrooms or walk through the halls.

Letting parents walk through our school during school hours creates a culture where students become accustomed to adult "strangers" moving through the halls.

Our office staff is very welcoming and accommodating. During school hours, if you need to see your child or drop off an item, these kinds of requests can be easily fulfilled.

"It is my job to help all my students belong ... This means part of my job is to educate the wider community about the needs of a child who may be perceived as 'different' to help them become embraced as part of the community."

Gayle Hernandez, 2014

Clothesline Drop Box

A red clothesline drop box has been placed on site here at Lady Eaton. All donations proceeds go to the Diabetes Society to help Canadians with Diabetes and Pre Diabetes.

Mittens

The school is always looking for knitted or donated mittens for children that don't have any. Have a spare pair? Donate them to Lady Eaton.

Jack and the Beanstalk

Globus Theatre @ The Lab is pleased to be presenting Jack and the Beanstalk. Lady Eaton has a tentative booking for December 8th and 9th. The cost per student will be \$12.00. A permission form will be coming home later this month.

Remembrance Day Service

Our Remembrance Day Service will be held on **Wednesday, November 11th at 11:45 a.m.** in the large gym.

Photo Retakes

Photo retakes will take place on **Tuesday, November 3rd**. Please let your child's teacher know if your child missed picture day and requires a retake.

November Progress Reports

Unfortunately, due to the current labour situation, student progress reports normally sent out in November will be postponed for the time being. Parent interviews and kindergarten observation opportunities will also not be taking place until a later time in the school year. Our teachers will continue to contact parents if they have concerns about a student. Please visit www.tlidsb.ca for labour situation updates.

Parking

Please be aware that the parking lot on the east side of the school is **only** for families accessing the daycare. This is particularly important at peak times of the day such as after school.

Indoor Shoes

Indoor shoes are an absolute necessity at school in order to preserve the cleanliness of the school, the condition of the gymnasium floor and the safety of students. Students walking throughout the school with water or snow coming off their boots cause water puddles and create potential slipping hazards. If you need help providing your child with indoor shoes please contact your child's teacher or the office.

Our annual magazine campaign has wrapped up and although our profit totals have not arrived, we did very well! Thank you to our LEES community for your continued support!

A special thank you to all of our families for coming out to the meet to support our Lady Eaton runners. We definitely have school spirit!

Primary Soccer

The Lady Eaton Primary Soccer team attended a zone tournament at Scott Young P.S. on October 16th. It was a very exciting day for all of the participants! The team played 3 hard-fought games against nearby schools. Although we did not advance to the county tournament the next week, the coaches Mrs. Moore, Ms. McKague & Bella and the entire Lady Eaton community are very proud of our players. They played "big" against the older kids, demonstrated sportsmanship, and excellent teamwork. Way to go Lady Eaton Eagles!!!
