## Principal's Message

I would like to welcome Mrs. Lauren Addison to Lady Eaton. Mrs. Addison will be our new Senior Kindergarten/Grade 1 teacher. She will begin October 5<sup>th</sup>. We have also hired a new DECE, Mrs. Angela Brethour. Mrs. Brethour will join Ms. McKague while Mrs. Woodman is home with her new baby girl Ashlee. Congratulations to the Woodman Family!! Three girls!

What an amazing school this is!! Our students are focusing on staying on **TRACK**.

**TRACK**  
Truth  
Respect  
Appreciation  
Community  
Kindness

During the course of year, we will focus on these traits. We are using the analogy of driving a car. When we drive a car we want to stay on the road and be safe. We also want to keep our engine running at a safe speed. Not too slow (sleepy) and not too fast (inattentive).

## Magazine Campaign

Our magazine campaign is up and running. All money raised from this campaign goes directly to activities and products that directly benefit the children. **The last day to submit orders is Wednesday, October 14<sup>th</sup>.**

## Bus Safety

Please take some time to discuss with your son/daughter bus safety rules. One of the biggest concerns that our drivers are experiencing is students standing up and being in the aisle. This is extremely unsafe. As you are aware school bus are not equipped with seat belts. The seats are tall and padded which protects children in the event of an accident. However, this is not effective if students are not seated. If you have any concerns about busing please contact our office. If you need to contact the carrier, it is Kawartha Lakes Bus Lines. Their phone number is (705) 324-8882.

## School Council News
