Principal's Message

I would like to welcome Mrs. Brenda Mills to Lady Eaton. Mrs. Mills will be our new Senior Kindergarten/Grade 1 teacher.

As we move into fall, please remember that one of the most valuable supports families can provide the school is reading nightly with your child. This can be a book that you read to them or a book at the child's level that you both take turns reading.

Our students are focusing on staying on **TRACK**.

- TRACK**
- Truth
- Respect
- Appreciation
- Community
- Kindness

During the course of year, we will focus on these traits. We are using the analogy of driving a car. When we drive a car we want to stay on the road and be safe. We also want to keep our engine running at a safe speed. Not too slow (sleepy) and not too fast (inattentive).

Magazine Campaign

Our magazine campaign is up and running. All money raised from this campaign goes directly to activities and products that directly benefit the children. **The last day to submit orders is Wednesday, October 12th.**

Bus Safety

Please take some time to discuss with your son/daughter bus safety rules. One of the biggest concerns that our drivers are experiencing is students standing up and being in the aisle. This is extremely unsafe. As you are aware school buses are not equipped with seat belts. The seats are tall and padded which protects children in the event of an accident. However, this is not effective if students are not seated. If you have any concerns about busing please contact our office. If you need to contact the carrier, it is Kawartha Lakes Bus Lines. Their phone number is (705) 324-8882.
