For the month of June, we will be highlighting **SELF CONTROL** as our Character Education trait. Self control means self discipline and taking charge of yourself.

GRADUATION

Graduation ceremonies will take place on **Tuesday, June 24th at 7:00 p.m.** in the Langton gymnasium. Graduates should arrive at 6:30 p.m. in preparation for the ceremony. The ceremony lasts approximately one hour. Immediately following the ceremony, parents are asked to help put away the chairs in preparation for the dance. Light refreshments will be served in the foyer. The dance will begin at approximately 8:30 p.m. and last until 11:00 p.m. Parents are asked to arrive at the school promptly in order to pick up their children at the end of the dance. We do have limited seating in the gym, and the families of 45 graduates to accommodate. We sincerely hope that parents will keep this in mind when they decide how many family members to invite. It would be distressing if the parents of some graduates had to stand during the ceremony, a once-in-a-lifetime event! Please note that **unsupervised students, including secondary students, will not be allowed admission to the gym.**

END OF THE YEAR CLAP OUT

The end of the year clap out for our graduates will be Thursday, June 26th, at 3:15 p.m.

SHOES IN JUNE!

As we don't like the students to be in bare feet on the yard in case of glass or sharp pebbles, any students who plan to play running games should bring extra shoes to replace their sandals or flip-flops. Thanks!

TRACK AND FIELD

Our school track and field meet took place on May 27th. Students from grades 3-8 participated with the help of our dedicated teachers and volunteers. In spite of the heat, Langton students demonstrated sportsmanship, effort, and determination throughout the day. Students who qualified will be attending the county track meet on June 11th (rain date June 12th) at LCVI in Lindsay.

We are very proud to announce the appointment of Mrs. O'Brien to a Special Ed Consultant role at the Board Office but we will miss her expertise.

SUMMER SCHOOL FOR CURRENT GRADE 8 STUDENTS

A summer course, focusing on the learning strategies and skills essential for students to be successful, independent learners in high school will be offered locally 8:30-2:30 Monday to Friday from July 3 to July 30. Students will earn a high school credit while focussing on developing their literacy, numeracy, and organization skills.

Teamwork, planning, and interpersonal skills will also be developed through a variety of activities. This course will help students to build confidence and motivation for their future work at high school and beyond. The final day of the course is a counselling day. Parents and students will be able to meet with the teacher on that day to review each student's achievement during the course. **To register please call us at Langton or go to www.tldsb.on.ca**

SCHOOL NEWSLETTER SURVEY

Our school is working with the school board Communication Department on a 'school newsletter makeover'. As part of this pilot project, we ask that you complete a survey about information and communication coming from our school. Please visit our school website at <http://lps.tldsb.on.ca> and click on the survey link. The survey closes on June 20th, 2014.

PRIMARY ACTIVITY DAY 2014

Langton's Primary Activity Time is scheduled for the morning block (9:15-10:50ish) on Wednesday, June 18th and Thursday, June 19th for the 'B' Kindergarten classes. Please ensure that your child is prepared for the weather on that morning (e.g., proper clothing, rain wear, running shoes). Please apply sunscreen/bug spray prior to arriving at school.
