

COPS CORNER

A safety message from our police partners

As the warm weather arrives and we begin to prepare for summer vacation the OPP would like to remind everyone to stay safe while enjoying the numerous waterways available in our area. Remember that properly fitting life jackets (PFD) are required for each person aboard a boat, including canoes and kayaks. Failure to have a PFD for each person will result in a \$240 ticket for the first missing PFD and \$125 for each additional missing PFD.

It is recommended that everyone wear their CSA approved lifejacket while on a boat – set a good example by wearing yours! Enjoy the summer.
