We're in the final stretch of the school year - and there certainly is a lot going on between now and the end of the month. Please check the calendar and the box on the next page to ensure you are aware of all events that your child is involved in.

Thank you to our Grade 3 and 6 students who gave their best during the EQAO assessment, and also all of our students who made an extra effort to be quiet in the halls during the testing. The school will use the results from EQAO and other sources to help guide our improvement efforts moving forward next year.

And speaking of next year we have a tentative school plan, which is subject to change based on number of students. Right now we are right at the cusp of having to make some changes because of increased enrolment in our primary division. There are many factor that influence the structure of a school, with the number of students in each grade and the mandated class sizes from the Ministry being paramount.

The current school organization for next year is: JK/SK, 2 classes of Gr 1/2, Gr 2/3, Gr 3/4, Gr 4/5, Gr 5/6 & 2 classes of Gr 7/8.

We will finalize teacher assignments at the end of the school year. If you have a specific concern that relates to your child's placement please send me a note or email so we can consider it as we assign students to classes. Have a great final month of school!

The grade 5-6 class and the JK/SK classes have been working together once again on a gardening project. This year they created mini greenhouses and self-watering planters from recycled products to begin seeds in the classroom. The plants and more seeds have been put in the raised beds in front of the JK/SK classroom.

We have been supported by community members this year. Catherine Cole from The Great Vine donated "Wooly Pockets", a self-watering hanging planter. These have been attached to the JK/SK playground fence, so the students can watch their plants develop. Another community member, Colin Sober-Williams, from Eat Local Muskoka, has joined the project to provide gardening support and assistance.

We are hoping to have a late June harvest of spinach and we are looking forward to a fall bounty of cucumbers, zucchini and pumpkins. This fall we made zucchini muffins and roasted pumpkin soup with our harvest. So tasty!!

Upcoming Trips at Pine Glen

Grade 2/3 are visiting Muskoka Heritage Place on June 26

Grade 3/4 and 4/5 are at Ripley's Aquarium on June 20th.
