What a crazy start to school since the Christmas break. Having 6 of our first 10 days bus cancellation days made for a very interesting two weeks. Staff and students have now gotten back into the swing of things with lots going on!

On January 25th we had our first ever "Den Assembly" where all students from grades 1-8 as well as staff members showed their school spirit by dressing in their den colour. There was a high level of anticipation and excitement as each staff member joined their den. Moving forward, a number of friendly competitions have been planned so that each den can add to their points. Another important part of the program is "Panther Points", which will be awarded to students when they're caught doing something positive here at school. Make sure to ask your child which den they are in. Lots more to come!

Our grade 8 students had a visit from Mr Bird, from Huntsville High, and are selecting their courses for next year when they start high school. Before we know it they'll have graduated and be heading out the door.

Hopefully the weather cooperates and we can have a traditional Muskoka February!
