PRINCIPAL'S MESSAGE

This year marks my 20th year as an elementary school administrator and upon reflection I have come to the realization that there are just a few important things to I have to impart to both staff and students as we sojourn for the summer:

- Stay safe- in sun, in water, by camp fires and online
- Relax and enjoy nature and each other
- Read, read, read!

And since my advice is rather succinct and unpoetic, I will quote some very wise and sound advice from one of the best, classic sources- Winnie the Pooh.

"What day is it?"

"It's today," squeaked Piglet."

"My favourite day," said Pooh.

"You can't stay in your corner of the forest waiting for others to come to you. You have to go to them sometimes."

"Try not to sit down in thistles; it takes all the Life out of them. Besides, someone might of planned on eating them for lunch."

"Don't underestimate the value of Doing Nothing, of just going along, listening to all the things you can't hear, and not bothering."

"Promise me you'll always remember-you are braver than you believe, stronger than you seem. And smarter than you think."

All the best this summer!
