PRINCIPAL'S MESSAGE

I don't think that there are enough ways to thank the Pine Glen Parent Council for their incredible efforts to imagine, organize and execute the "Dine at the Pine" pop up restaurant event.

Under the Direction of Council Chair; Steve Spencer, the council members created one of the most innovative and profitable fundraisers that I have ever seen in 20 years as a Principal.

Dine at the Pine raised over \$10,000.00 !!!

Hunter's Bay Radio, James Cunningham, Tobin Spring, Juan Barbosa, Gina Horswood and our own Pine Glen student performers provided incredible entertainment while patrons dined on a gourmet, four course meal provided by Three-Guys and a Stove. We are so grateful to all of these citizens who donated their time and talents to create this unique event. As noted by one of our teachers during a television interview, "Everyone forgot that they were in a school gym....this event really raised the standard for school fundraising events!"

Of course, I also have to recognize our very professional Pine Glen student wait staff. They were so awesome with the important role of serving and clearing - I think that they should have earned a 5 Star rating!

We have a number of ideas to put these new funds to great use. Please stay tuned as we reveal each new purchase.

As mentioned, I am not sure that the students and staff will ever have enough ways to show their gratitude but I can think of at least one idea -- purchase a school message board for our front lawn. The very first message would read --

"THANK YOU PINE GLEN PARENT COUNCIL - YOU ARE AWESOME!!!"
