

Principal: David Crawford

Trustee: Bruce Reain

Principal's Message:

**HELP YOUR CHILD
READ THIS SUMMER!**

Research shows that kids who read four or more books over the summer are better prepared for the coming school year and this helps to prevent the 'summer slide' -the loss of reading and learning skills during the summer break.

Please go to Peach Jar at our website to see tips on helping your child read this summer. We know that the more kids read, the better they become at reading. Set aside some time to read every day and let your child pick out the book to read.

On Peach Jar you will find a tracking sheet as well, that you can track the books you read and how much your child enjoyed the book.

We hope everyone has a very safe, healthy and happy summer!

SEPTEMBER

Tentative class lists for September will be posted on **Friday, September 4th** at the front door.

Staffing and class lists are an ongoing process due to fluctuation of student numbers from

June to September.

FAREWELL AND THANK YOU

Constable Lynda Cranney, who has been our School Liaison Officer for the last 8 years, has been assigned a new "gig". Constable Cranney has assisted us with our Lock Down Drills and various programs and presentations with our students. She has supported us whenever there was a need. We will miss her and wish her well in her new job in Orillia.

**GRADE 8
GRADUATION**

Our grade 8's are graduating! Graduation day is **Wednesday, June 24th** at 6:00 p.m. at Faith Baptist Church. We wish all of our graduates the very best as they move on to High School!

LIBRARY NEWS

Library books are due back to the library Friday, June 19th. Please have a look at home for any library books you might have that need to be returned.

TRACK & FIELD We had our Track & Field Day on Wed. June 3rd for grades 3-8. We had a great day! The Regional meet is for the top 3 winners of each event on June 11th and the Relay race will be on June 15th at the High School

PARENT COUNCIL

On behalf of the staff and students, we would like to thank our Parent Council for their dedication and hard work this year.

Council has worked diligently to raise money for a new playground. They have made sure we have a well functioning Breakfast Club program. An affordable hot lunch program enabled students a variety of tasty dishes to spice up their lunch options as well as contributing to the playground fundraising.

We appreciate all of our volunteers who donated their time to keep these programs running and for those volunteers who assisted in classrooms and on class trips. We look forward to seeing you next year!
