

What Good Readers Do To Decode Text

Look at  
the  
pictures.

Look  
for  
parts  
you  
know.

Skip the  
word  
(but come  
back to it).

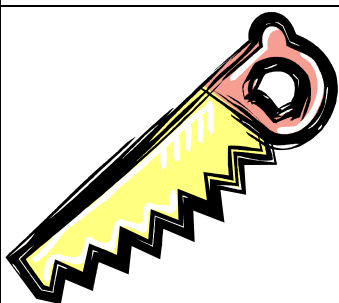

Get  
your  
mouth  
ready  
to say the sounds

Try  
what  
makes  
sense.

Take  
another  
run at it.

Take  
apart  
the  
word.

Always reread.
