

Protect Your Child... From Disease and School Suspension

Ensure your Child's Vaccinations are Up-to-Date

Vaccines are free, safe, and effective. They protect against many diseases.
Certain vaccines are required to attend school.
Without required vaccines, students can be suspended!

Step 1: Take Care. Check Your Records

For a list of recommended and required vaccines for students,
visit: www.ontario.ca/vaccines OR call: 1-866-888-4577, ext. 1507

Step 2: Missing a Vaccine? Get Your Child Immunized

See your health care provider or contact the Health Unit to get any missing vaccines

Step 3: Update Your Child's Vaccination Records

Students can be suspended from school if their vaccine records are not updated with the Health Unit. Ensure your child doesn't miss a day of school:

- Call 1-866-888-4577, ext.1507
- Fax the updated vaccine record to (905) 885-5352
- Take a photo of the updated vaccine record and email: immunization@hkpr.on.ca
- Mail/Drop off record at any Health Unit office
(www.hkpr.on.ca/About/OfficeLocations.aspx)
