### PRINCIPAL'S MESSAGE

Spring is just around the corner. Please make sure your child brings home any winter gear that has accumulated over the school year, and be sure to check the lost and found too.

April, May and June are always very busy months at school. We have many special trips, activities and events happening. Please make sure you check the calendar carefully and, as always, parents are welcome to come and be part of all of the great things going on at Spruce Glen. If you're thinking of Volunteering on any class trips, please come to the office and we can either help you start the Police Record Check process, or confirm your Record Check is still current.

We have EQAO running from May 22 – June 4<sup>th</sup> for students in grades 3 and 6. Please try to avoid booking any appointments during this important time so that students can be here to write the language and math provincial assessment.

It is always great to read, write and talk to your children about what they are learning at school. One strategy to helping students who are busy with other activities is to practice math facts in the car on the way.

Please don't hesitate to stop by the office if you have any questions or concerns.

Sincerely,  
Ms. Picken  
Principal

Ms. Tracy Lupton  
Vice Principal

  
**Happy Easter**  
*to you and your Family*
