Character Trait for October – Compassion

I am always taken aback by the warmness and welcoming nature of Woodville as a school and a community. It is hard to imagine that September has come and gone. We are off to an amazing start and the excitement continues to build as we move into Cross Country season and Soccer season. Teachers have been hard at work getting to know our students in and out of the classroom. Thank you for all your efforts fundraising, volunteering, and helping your child with homework and reading at home. Woodville Elementary School places high expectations on our students and on our staff because we are all capable of great things.

CANADIAN LETTER EXCHANGE

Mrs. Burnie's and Mrs. Wells Kindergarten classes are excited to be participating in the Canadian Letter Exchange. We created 25 letter S's that are being mailed to other schools across Canada. We are looking forward to receiving the rest of the letters of the

alphabet from different schools across Canada. Our

plan is to plot them on our Map of Canada in our classrooms.

PEDOMETER JUMPSTART

A special thank you to Mr. Barton for starting our Jump Start Grant Application. We were approved and every student in the school will get a new pedometer to use this school year thanks to Canadian Tire Jumpstart. Our goal is to get enough steps to walk across Canada. Please return signature forms ASAP

SUPERVISION REMINDERS

Please remember that staff is not on duty **until 8:50 am for supervision**. Please stay with your children until that time. Children are to stay outside until the first bell rings. Then they can either remain outside or go to the breakfast club until the entrance bell goes.

FUNDRAISING

Back by popular demand is our **Fresh from the Farm** fundraiser. This is a wonderful way to support Ontario/local farmers, to promote healthy eating and to support our school. Each student has received a Fresh from the Farm brochure and order forms. Please be sure that all orders and payment are received in the office **NO LATER THAN** October 10th, 2017. If you have any questions, please don't hesitate to call.

TERRY FOX RUN

Woodville staff and students participated in the Terry Fox Run for cancer research on Friday, September 22nd. So far we raised \$1,348.50 for the Terry Fox

Foundation. This total will increase as more pledges come in and our online total is added. Thank you for all your support.

BUS SAFETY AND INFORMATION

Families are asked to remind their children to be at their stop 5 minutes before the scheduled time and remain standing safely at the shoulder of the road until the bus comes to a complete stop before boarding the bus. To further ensure a safe ride to and from school, students are reminded to remain seated until the bus comes to a complete stop and students **must not eat or drink**

on school buses.

Check out the website www.mybustoschool.ca for cancellations to your child's bus. You can subscribe to receive late, delayed and cancelled school bus information through this website directly to your email account. Simply click on the "Delays and Cancellations" button and subscribe. Cancellations will still be announced by the local radio station partners.

STUDENT VOICE

A descriptive and imagery rich paragraph by Logan Snider (Grade 5 Student Mrs. Farr's Class)

Bananas are one of my favourite fruits. The banana's appearance makes me drool. It's as sweet as an ice cold milk shake on a hot summer day. It feels like an orange peel, rough and yet smooth too. My banana did not have any sound, just a creep silence. Its taste is life-saving. It tastes like a sweet apple with a strawberry kick to it. In conclusion, that is why bananas are my favourite fruit.

SCHOOL COUNCIL MEETING

October 25th at 6 pm in the Library. All community members are welcome to attend.
