Character Trait for January – Fairness

2018 represents a fresh start and a chance to set goals. As we look forward to the upcoming olympics it is exciting to see our new pedometers have arrived. We have set a goal to walk the distance from Canada to Korea for the games tracking each step. We welcome new teachers Brittany Prozenko and Julie Hough to our school and know that Mr. Paterson is definitely enjoying his recent retirement. Let's make 2018 a year to remember wolves!

PRINCIPAL RORY ELLIS

PARENT COUNCIL MEETING

We will be having our next Council Meeting on January 31st at 6 pm all our Welcome. Come on out and share your thoughts and ideas for continually improving our school.

BATTLE OF THE BOOKS

Students from grades 4-8 are encouraged to become a Woodville Reading Warrior. Groups of four will read a total of ten books and competing to become Woodville champs. More news coming soon from your advisors: Mrs. Johnson,

Mrs. McKay with help from Mrs.Rynard.

MICROWAVE LUNCHES

We are asking that students not be sent with microwavable items moving forward.

PARKING AND BUSES

Please do not park your vehicle on the opposite side of the road from the school during pickup and drop off times. It makes it challenging for the bus drivers to safely see while turning. Also please be sure to drive

slowly when close to the school as we have many students and parents who walk to and from the school each day.

SPECIAL EDUCATION ADVISORY COUNCIL

Every school board in Ontario is mandated to have a Special Education Advisory Committee (SEAC). The role of the SEAC is to: Make representation to the Board in respect to any matter affecting the establishment, development, and delivery of special education programs and services for exceptional students of the Board. Please visit <http://tlidsb.ca/special-education-advisory-committee/> for more information

Intermediate Girls Volleyball

Our intermediate girls have been working hard to prepare for the upcoming volleyball tournament on January 24th at J. Douglas Hodgson Elementary School. We have a number of exhibition games and practices planned before the 24th. Members of the team will be taking home an updated volleyball calendar on January 9th. We are excited and looking forward to putting our skills to the test. In addition we would like to send a shout out to Clifford Brodi and Emily Connaghan for their assistance with conveying (Cliff) and score keeping (Emily). All your help is greatly appreciated.
